**CITY OF WESTMINSTER
HISTORIC DISTRICT COMMISSION
SPECIAL MEETING SUMMARY**

**Wednesday, January 8, 2020, at 7:00 PM
City Hall, 1838 Emerald Hill Lane
Westminster, Maryland**

A meeting of the City of Westminster Historic District Commission was held at City Hall, 1838 Emerald Hill Lane in Westminster, Maryland 21157, on January 8, 2020, at 7 PM.

I. Call to Order

Vice-Chair Camlin read the statement of authority into the record.

Vice-Chair Dean Camlin, Commissioner Josh Ambrose, Commissioner Aaron Burroughs, and Commissioner Steven Colella were present. City staff Sandy Anderson, Mark Depo, Andrea Gerhard, Andrew Gray, and Samantha Schlitzer were also present.

II. Approval of Minutes

Commissioner Colella moved to approve the meeting summary for December 4, 2019. Commissioner Burroughs seconded the motion. The motion passed unanimously.

III. New Business

A. Façade Improvement Grant Application for 247-249 East Main Street

Ms. Anderson provided background information on a Façade Improvement Grant application for 247-249 East Main Street, in the amount of \$4,925. The Commission requested clarification on the scope of work, indicating that anything viewable from a public right-of-way would be the only items available for approval.

Commissioner Colella moved to recommend approval of the Façade Improvement Grant application for 247-249 East Main Street, for only the work viewable from the public right-of-way. Commissioner Burroughs seconded the motion. The motion passed unanimously.

B. Façade Improvement Grant Application for 39-41 North Court Street

Ms. Anderson provided background information on a Façade Improvement Grant application for 39-41 North Court Street, in the amount of \$7,500.

Vice-Chair Camlin asked if the contractor was licensed in Maryland, and what was its MHIC number. He also noted that the written estimate did not include itemized costs for the work to be performed.

Commissioner Colella suggested that If the entire application could not be approved, individual parts of the application could be approved for specific amounts.

Commissioner Ambrose questioned if the property was for sale, citing a website reference to its availability. If for sale, the application would fall under further question.

Commissioner Colella motioned to approve the Façade Improvement Grant application for 39-41 North Court Street, pending answers to the contractor's MHIC number, the estimate itemization, and whether the property owner would retain possession after the repairs were made. Commissioner Ambrose seconded the motion. The motion passed unanimously.

C. Façade Improvement Grant Application for 28 Liberty Street

Ms. Anderson provided background information on a Façade Improvement Grant application for 28 Liberty Street, in the amount of \$20,000.

Vice-Chair Camlin noted that because the property is located within the National Historic Register District, it could be eligible for Historic Tax Credits, in addition to Façade Improvement grants from Federal and State programs as well.

Commissioner Colella moved to recommend approval of the Façade Improvement Grant for 28 Liberty Street. Commissioner Ambrose seconded the motion. The motion passed unanimously.

D. Façade Improvement Grant Application for 280 East Main Street

Ms. Anderson provided background information on a Façade Improvement Grant application for 280 East Main Street, in the amount of \$5,088. She added that only two items on the application qualified for grant funding.

Commissioner Colella moved to recommend approval of the Façade Improvement Grant to replace cedar shingles on the awning and LED porch lighting, in the amount of \$5,088. Commissioner Ambrose seconded the motion. The motion passed unanimously.

E. Façade Improvement Grant Application for 66 East Main Street

Ms. Anderson provided background information on a Façade Improvement Grant application for 66 East Main Street, in the amount of \$51,268.

Vice-Chair Camlin noted that the paint color on the building had never been anything other than yellow; therefore, in his opinion, Maryland Historic Trust would not approve the application if it changes the historic character of the building.

Commissioner Ambrose asked if the Commission has authority to prevent the applicant from repainting without grant funding approval. Commissioner Burroughs stated that the Commission was a

recommendation body and not an enforcement body. Vice-Camlin added that the Commission only has enforcement authority for properties on the National Historic Register.

Commissioner Ambrose suggested approving the application only to repaint wood, non-brick trim, and metal in order to repair only the non-brick surfaces.

Ms. Anderson stated that she will contact the applicant to outline the conditional requirements and request that the applicant attend the next meeting to answer any further questions from the Commission.

Commissioner Colella moved to recommend approval of the Façade Improvement Grant to paint the cornice and windows, excluding any brickwork, in the amount of \$3,067.50. Commissioner Burroughs seconded the motion. The motion passed unanimously.

IV. Historic District Commission and Public Comments

Ms. Gerhard introduced Mr. Depo, Director of Community Planning and Development.

Commissioner Ambrose asked Ms. Anderson about the Façade Improvement Grant program advertisement. Ms. Anderson replied that addresses within the City's National Historic District received a brochure mailing with information about the program.

V. Adjournment

Vice-Chair Camlin made a motion to adjourn. The Commission adjourned at 8:28 PM.

Dean Camlin, Vice-Chair
Westminster Historic District Commission

Subject: Application for Historic Rehabilitation Property Tax Credits TC #20-01

Overview

On February 3, 2020, Karen Byrd, representing 247 East Main Street LLC. The entity that owns 247-249 East Main Street submitted a pre-construction Application for Historic Rehabilitation Property Tax Credits TC #20-01 (attached). 247-249 East Main Street is located in the Westminster Historic National Register District. According to the Maryland Department of Assessments and Taxation online records, the primary structure was built in 1900 (attached).

Pursuant to Section 143-5. A., the City Code states: "Establishment of historic tax credit program for qualified expenses. In accordance with § 9-204 of the Tax-Property Article of the Annotated Code of Maryland, there is hereby established a City of Westminster real property tax credit in the amount of 10% of the qualified expenses for the restoration and preservation of an eligible historic property, and 5% of the qualified expenses for the construction of an architecturally compatible new structure on an eligible historic property."

Pursuant to Section 143-5 B. Eligible Work includes:

- (a) The repair or replacement of exterior features of an existing structure;
- (b) Work that is necessary to maintain the physical integrity of an existing structure with regard to safety, durability or weatherproofing; or
- (c) Maintenance of the exterior of an existing structure, including routine maintenance;
- (d) New construction of an architecturally compatible structure; or
- (e) Interior restorations necessary to restore or maintain the historic integrity and efficient or safe functioning of an eligible property, excluding elective and/or cosmetic renovations.

The proposed project consists of scraping, cleaning, adequately preparing, and repainting loose and peeling paint. In addition, all the preexisting white portions of the building will be repainted (all wood, shutters, trim and cornices.), as outlined in the attached application. The total estimated cost of the proposed project is \$9,850.00. However, the applicant received a \$4,925.00 Façade Improvement Grant that was approved by

the Historic District Commission at the January 2020 meeting, leaving the remaining balance of the project \$4,925.00. 10% of the remaining balance is \$492.50.

RECOMMENDATION

Staff recommends the Commission consider approval of the proposed painting consistent with Section 143-5.B.(a),(b), and (c), with an estimated cost of \$9,850.00 and an estimated tax credit of \$492.50, conditioned on whether the Commission finds that the proposed work is historically compatible.

- Other: _____

How long has the business been at the current location? 6 ½ years _____

When does your current lease expire? Not applicable _____

Do you have the option to renew your lease and do you intend to do so? What are the terms?

Not applicable _____

Property owner's name (if different from applicant): _____

Property owner's address: Mailing address – P.O. Box 1254 Westminster, Md. 21158 _____

Property owner's phone number/email: (443) 289-8149 kbyrd@liferenewalservices.com _____

Note: If you are not the property owner, the property owner or an authorized representative must co-sign this application where indicated in the "General Conditions" section of this application.

Project Details

Please describe below, or via a supplemental attachment, the proposed improvements to the property. The following required information must accompany this application:

- Minimum of two color photographs that show existing building conditions
- Detailed sketches or drawings of the proposed improvements (including placement, color, dimensions and materials)
- Minimum of two bids on contractor letterhead detailing the proposed work

Description of proposed improvements (e.g., new doors/windows, signs, lighting, paint, etc.):

We are seeking to improve the overall appearance of the exterior of our building with a fresh coat of white paint on all preexisting white portions which would include all wood, shutters, doors, trim and cornices (please see accompanying pictures A through E). Loose and peeling paint (please see accompanying pictures F through L) needs to be scraped, cleaned, adequately prepared, and repainted using Sherwin-Williams Super Paint Satin Finish (white paint). Out of the two bids received from contractors, if awarded the necessary funding, we would choose Mike Rafferty to execute this proposal (please see accompanying proposal & agreement for details). _____

Proposed Project Budget: \$9,850 to paint the whole exterior of building which includes the front façade (**this is the preferred option**). \$4,100 for painting the building front façade only (second option). _____

Describe how this project will enhance the downtown, including how it will:

- Improve your business or increase your chances for success
- Facilitate the retention or expansion of an existing business downtown
- Facilitate the establishment of a new business to downtown
- Improve public safety or access
- Enhance downtown Westminster (beautification, foot traffic, etc.)

Life Renewal Services, Inc. (LRS) is a private, state-licensed, Outpatient Mental Health Center which provides comprehensive behavioral treatment interventions for children and adults ages 5 to 64 challenged by serious and persistent mental illness, co-occurring substance abuse disorders, and/or are in need of psychiatric support to cope with an emotional crisis. We are conveniently located to those we serve, and our building is very conspicuous to many who walk along the sidewalk and drive pass this well-travelled section of Westminster. The building we occupy at 247-249 East Main Street address is located in the historic district of Westminster and has an extremely unique and fascinating history which spans over 200 years. Please see the accompanying attachment of a posting obtained when LRS had purchased the building in 2013 titled "Rare Offering – Style and Significance in Westminster" for more information as to the history.

We are thrilled to be given the opportunity to receive much needed funding to help support painting the exterior design portions of our building. As you can see from the accompanying pictures (please see

attachments F through L) years of wear and tear have wreaked havoc on the exterior paint of our building creating an unsightly appearance. Given all the associated expenses with running a business that provides essential behavioral-health programs to the community we have been unable to finance the needed repair to improve the overall appearance of our building. Our preference would be to receive enough money to help finance half the cost of painting the entire building if this proposal is approved, however if the available funding isn't available, are willing to scale back this proposal to painting the front façade only. With the necessary funding in place to partially finance this proposal we believe this project would restore our building's natural beauty and elegance back to its original historic design significantly enhancing the downtown Westminster area. Thank you so much for your consideration to fund this proposal!

How much funding assistance are you requesting?* \$4,925.00 to paint all exterior areas of the building identified above (preferred option). \$2,050 for painting the building front façade only (second option).

Please see the 2 accompanying proposal/agreements (bids) from local contractors. _____

* Please Note: This is a 50/50 matching grant program

Proposed start date: March 28th, 2020 (This start date is flexible depending on date of award). ____

Estimated completion date: April 26, 2020 (Estimated total time to complete project is 1 month). _

(Note: Any project submitted for funding should commence within two (2) months of the award and be completed within six (6) months of commencement.)

In conjunction with this project, are you completing any other renovation/rehabilitation work to the property (interior or exterior)?

X No

If answer is "yes" to above question, describe additional work:

Estimated cost of additional work to the property: No additional work needed is identified at this time.

General Conditions

- It is expressly understood and agreed that grant proceeds are a matching grant at 50% by applicant and 50% from the Maryland Department of Housing and Community Development.
- It is expressly understood and agreed that the applicant shall be solely responsible for all safety conditions and compliance with all safety regulations, building codes, ordinances, and other applicable regulations.
- It is expressly understood and agreed that work completed prior to final approval is ineligible for funding.
- It is expressly understood and agreed that the applicant will not seek to hold the City of Westminster, and/or its agents, employees, officers and/or directors liable for any property damage, personal injury, or other loss relating in any way to the Façade Improvement Program.
- The applicant shall be responsible for maintaining valid and sufficient insurance coverage for property damage and personal injury liability relating to the Façade Improvement Program.
- The applicant agrees to maintain the property and improvements, including, but not limited to, promptly removing graffiti and trash, and sweeping and shoveling in front of the property.
- The applicant authorizes the City of Westminster to promote an approved project, including but not limited to displaying a sign at the site, during and after construction, and using photographs and descriptions of the project in promotional materials and press releases.
- The applicant has read and understands the “City of Westminster Façade Improvement Program Overview” document outlining program guidelines and procedures.
- The applicant understands that the City of Westminster reserves the right to make changes in conditions of the Façade Improvement Program as warranted.

ARTICLES OF ORGANIZATION
of
247 EAST MAIN, LLC

The Articles of Organization of 247 EAST MAIN, LLC are hereby duly executed, acknowledged and filed by Gregory S. Weiner, being an authorized person as defined in Section 4A-101(c) of the Maryland Limited Liability Company Act of the Corporations and Associations Article of the Annotated Code of Maryland (the "Act"), who certifies to the Maryland State Department of Assessments and Taxation that:

1. Name of Company: The name of the limited liability company (the "Company") is:

"247 EAST MAIN, LLC"

2. Purpose of Company: The purpose for which the Company is formed is to buy, sell, lease, invest in, manage, finance, refinance and otherwise deal in and with real property, and to do any and all things necessary, convenient, or incidental to that purpose, and to perform any act set forth in Section 4A-203 of the Act, including any act not inconsistent with law which is appropriate to promote and attain the purposes set forth herein.

3. Principal Office: The address of the principal office of the Company in the State of Maryland shall be 389 Silver Run Valley Road, Westminster, Maryland 21158.

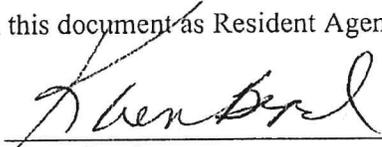

4. Resident Agent of Company: The name and address of the Resident Agent of the Company shall be Karen Byrd, 389 Silver Run Valley Road, Westminster, Maryland 21158.

5. Restrictions on Authority: The authority of a member of the Company to act for the Company, solely by virtue of being a member, is limited by a separate written Operating Agreement, as amended in writing from time to time. No member of the Company is an agent of the Company, nor has the authority to act for the Company, solely by virtue of being a member.

IN WITNESS WHEREOF, the undersigned organizer of the Company has executed these Articles of Organization on the 19th day of November, 2012 on behalf of the Company and acknowledges these Articles of Organization to be the act of the Company.

OPERATING AGREEMENT
of
247 EAST MAIN, LLC

This Limited Liability Company Agreement (this “**Agreement**”) of **247 EAST MAIN, LLC**, a Maryland limited liability company (the “**Company**”), is entered into as of November 27, 2012, by **Karen Byrd**, as its sole member (the “**Member**”).

Explanatory Statement

The Company was formed as a limited liability company pursuant to the Maryland Limited Liability Company Act, as amended from time to time (the “**Act**”) by the filing of Articles of Organization dated November 19, 2012 (the “**Articles of Organization**”) with the Maryland State Department of Assessments and Taxation (the “**SDAT**”), and the Member wishes to enter into this Agreement and hereby agrees with the Company as follows:

1. **Name.** The name of the limited liability company shall be **247 EAST MAIN, LLC**.
2. **Member.** The name and address of the Member is as follows: **Karen Byrd, 389 Silver Run Valley Road, Westminster, Maryland 21158**.
3. **Principal Office/Resident Agent.** The address of the **principal office** of the Company in the State of Maryland is **389 Silver Run Valley Road, Westminster, Maryland 21158**, or such other address as the Member may designate from time to time. The name and address of the **resident agent** of the Company in the State of Maryland is **Karen Byrd, 389 Silver Run Valley Road, Westminster, Maryland 21158**, or such other person as the Member may designate from time to time.
4. **Articles of Organization.** **Gregory S. Weiner** is hereby designated as an Authorized Person with the meaning of the Act to execute, deliver, and file the Articles of Organization with the SDAT. Upon the filing of the Articles of Organization with the SDAT, the powers of **Gregory S. Weiner** as an “Authorized Person” ceased, and the Member thereupon became the designated “Authorized Person” and shall continue as the designated “Authorized Person” within the meaning of the Act with the authority to execute, deliver, and file any amendments or restatements of the Articles of Organization or any Articles of Cancellation or Articles of Dissolution.
5. **Purpose/Powers.** The Company is formed for the object and purpose of, and the nature of the business to be conducted and promoted by the Company is as permitted in the Articles of Organization of the Company (as may be amended from time to time), and engaging in any and all activities necessary or incidental to the foregoing. The Company shall have the power and authority to do any and all acts necessary or convenient to or in furtherance of said purposes, including all power and authority, statutory or otherwise, possessed by, or which may be conferred upon, limited liability companies under the laws of the State of Maryland.
6. **Management.** Management, operation, and policy of the Company shall be vested exclusively in the Member. The Member, acting through his duly authorized agents, is authorized and empowered on behalf and in the name of the Company to perform all acts and

engage in all activities and transactions that the Member may in the Member's sole discretion deem necessary or advisable in order to cause the Company to carry out its purpose and exercise the powers granted to the Company hereunder and under the Act. The Member is an agent of the Company and the actions of such Member in such capacity shall be binding on the Company without liability to the Member so acting.

7. **Agents.** The Member by written instrument signed by the Member shall have the power to appoint agents to act for the Company with such titles as the Member deems appropriate and to delegate to such agents such of the powers as are held by the Member hereunder as the Member may determine. The Member by written instrument signed by the Member may, in the sole discretion of the Member, ratify any act previously taken by an agent acting on behalf of the Company. Except as provided in this Section, the Member shall be the sole person with the power to bind the Company.

8. **Reliance by Third Parties.** Any person or entity dealing with the Company or the Member may rely on a certificate signed by the Member as to: (a) the identity of the Member, (b) the existence or nonexistence of any fact or facts that constitute a condition precedent to acts by the Member or are in any other manner germane to the affairs of the Company, (c) the persons who or entities that are authorized to execute and deliver any instrument or document of or on behalf of the Company, or (d) any act or failure to act by the Company or as to any other matter whatsoever involving the Company or the Member.

9. **Capital Contributions.** The Member has contributed **\$10,000.00** in cash as the Member's initial capital contribution to the Company. The Member may make, but shall not be required to make, additional capital contributions to the Company.

10. **Taxation; Allocations; Distributions.** It is the intent of the Member that because the Company has a single owner, the Company shall be disregarded as an entity separate from the Member for federal tax purposes. The Company's profits and losses shall be allocated to the Member. Distributions shall be made to the Member at the times and in the aggregate amounts determined by the Member.

11. **Liability of Member.** The Member shall not have any liability for any obligations or liabilities of the Company except to the extent provided in the Act.

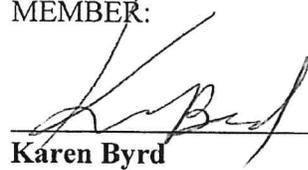

12. **Amendments.** This Agreement may be amended or restated from time to time by the Member.

13. **Governing Law.** This Agreement shall be governed by, and construed under, the laws of the State of Maryland, all rights and remedies being governed by said laws.

[signature page follows]

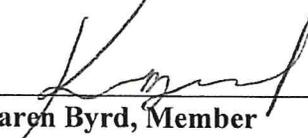

IN WITNESS WHEREOF, the undersigned, intending to be legally bound hereby, has duly executed this Limited Liability Company Agreement as of the date and year first above written.

Subject: Application for Historic Rehabilitation Property Tax Credits TC #20-01

Overview

On February 3, 2020, Karen Byrd, representing 247 East Main Street LLC. The entity that owns 247-249 East Main Street submitted a pre-construction Application for Historic Rehabilitation Property Tax Credits TC #20-01 (attached). 247-249 East Main Street is located in the Westminster Historic National Register District. According to the Maryland Department of Assessments and Taxation online records, the primary structure was built in 1900 (attached).

Pursuant to Section 143-5. A., the City Code states: "Establishment of historic tax credit program for qualified expenses. In accordance with § 9-204 of the Tax-Property Article of the Annotated Code of Maryland, there is hereby established a City of Westminster real property tax credit in the amount of 10% of the qualified expenses for the restoration and preservation of an eligible historic property, and 5% of the qualified expenses for the construction of an architecturally compatible new structure on an eligible historic property."

Pursuant to Section 143-5 B. Eligible Work includes:

- (a) The repair or replacement of exterior features of an existing structure;
- (b) Work that is necessary to maintain the physical integrity of an existing structure with regard to safety, durability or weatherproofing; or
- (c) Maintenance of the exterior of an existing structure, including routine maintenance;
- (d) New construction of an architecturally compatible structure; or
- (e) Interior restorations necessary to restore or maintain the historic integrity and efficient or safe functioning of an eligible property, excluding elective and/or cosmetic renovations.

The proposed project consists of scraping, cleaning, adequately preparing, and repainting loose and peeling paint. In addition, all the preexisting white portions of the building will be repainted (all wood, shutters, trim and cornices.), as outlined in the attached application. The total estimated cost of the proposed project is \$9,850.00. However, the applicant received a \$4,925.00 Façade Improvement Grant that was approved by

the Historic District Commission at the January 2020 meeting, leaving the remaining balance of the project \$4,925.00. 10% of the remaining balance is \$492.50.

RECOMMENDATION

Staff recommends the Commission consider approval of the proposed painting consistent with Section 143-5.B.(a),(b), and (c), with an estimated cost of \$9,850.00 and an estimated tax credit of \$492.50, conditioned on whether the Commission finds that the proposed work is historically compatible.

Questions? Please call the Westminster Department of Planning at 410-848-4628

Please check one: pre-construction application
 post-construction application*

Property tax account ID 07-060556

*Post-Construction applications:

(a) must include the approved pre-construction application plus photos, receipts, etc. to document completion and costs.
(b) must be received within 60 days of the completion of the work described herein.

Property owner Joseph Paciella daytime phone (301) 233-3299

Property co-owner Katie Staab daytime phone (717) 424-9398

Property address 174 W. Main Street Westminster, MD 21157

Mailing address same as property address

(1) In accordance with Tax-Property Article 9-204 of the Maryland Annotated Code and Ordinances 667 and 668 of the City of Westminster, this application is based upon the historic rehabilitation work described by the enclosed narrative and photographs.

(2) Total cost of the project** \$ 11,603.13 (estimated if pre-construction application)

**Minimum expenditure must be \$5,000 within 24 months to be eligible for the tax credits.

(3) Completion date September, 2020 (estimated if pre-construction application)

(4) Attachments: photographs (mandatory)
 project narrative (mandatory)
 drawings (optional, must be to scale if provided)

Please list any additional attachments: The photographs & narrative are in the "Energy Audit Report." We also attached the itemized proposed cost.

I hereby declare that all information submitted on this application and attachments is, to the best of my knowledge, accurate and true.

Comments by HDC:

Narrative:

My husband Joe and I received information about BGE offering energy audits for customers. We took advantage of the free audit from Ecomize (where they gave us lightbulbs, etc.) and also opted to get the extensive measurements (result in the audit report) to tell us how energy efficient our old house is and could be. The main problem is the attic, which loses heat rapidly. We are proposing to weatherproof the attic by sealing and insulating the space. We currently have ~R12 insulation that will be replaced with R49 insulation.

Unfortunately, Ecomize cannot complete the weatherization work until the knob and tube wiring is removed, since it would become a safety issue. So, first they will remove the floor boards in the attic and the electricians will replace the knob and tube wiring with wiring that meets today's safety standards. They will insulate the attic floor around this wiring, in addition to insulating the attic ceiling and sealing any major airflow holes.

Description of Existing Home

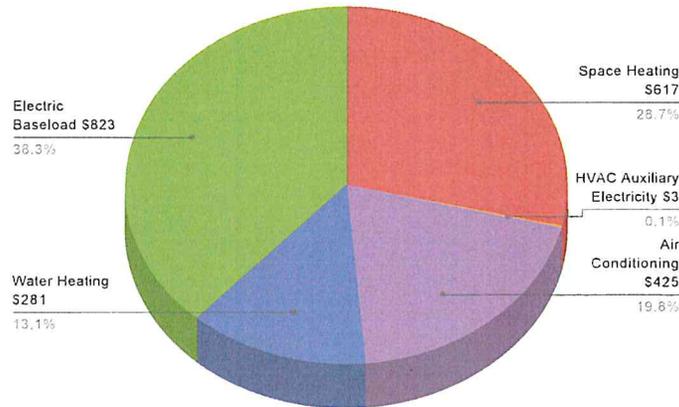

House Type:	Single-Family Detached
Conditioned Floor Area:	1914 Sq.Ft.
Number of Bedrooms:	3
Number of Occupants:	3
Year Home Was Built:	Pre 1950
Stories Above Grade:	2
Primary Foundation Type:	Unconditioned Basement

Existing Systems

Heating Systems:	83.30 AFUE Natural Gas Boiler
Cooling Systems:	11 SEER Central AC 11 SEER Central AC
Water Heating Systems:	50-Gallon Electricity Storage (Tank)

Based on our assessment of your home, we have estimated your home's energy usage and broken it down by major end use category. The energy consumption estimate is based on how much your home would consume in an average year. The estimated costs are based on our estimate of current energy costs.

Estimated Utility Bill Disaggregation

Electricity Usage - \$1,511 or 71% of cost

- Electric Baseload 
- Water Heating 
- HVAC Auxiliary Electricity 
- Air Conditioning 

Your electric retail energy provider is BGE and the rate used in this analysis is 0.10000 per KWh. The total energy cost and consumption has been normalized to reflect a typical year.

Gas Usage - \$617 or 29% of cost

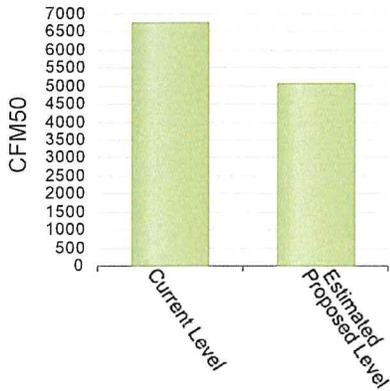

- Space Heating 

Your gas provider is BGE and the rate used in this analysis is 0.84500 per Therm. The total energy cost and consumption has been normalized to reflect a typical year.

Uncontrolled air leakage occurs when air moves through gaps or openings in walls, floors, ceilings, duct work, doors or windows, and is often a major source of energy loss in homes. As your home becomes more air tight and energy efficient, controlled ventilation is required to ensure healthy ventilation.

Using diagnostic equipment, your home's air leakage rate was measured and compared to an industry standard for healthy ventilation rates.

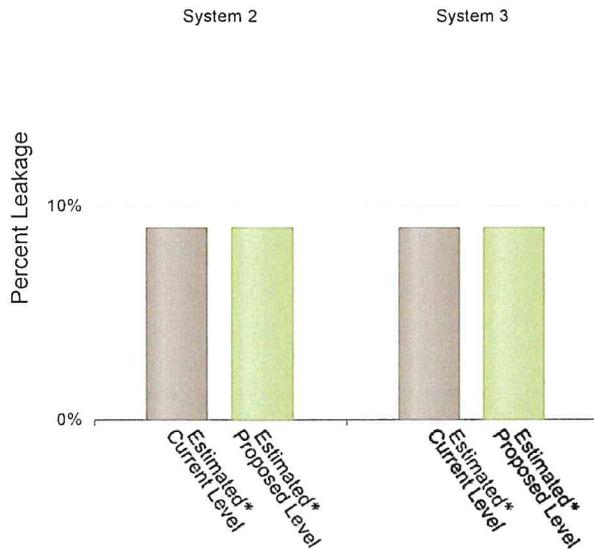

Your Home's Air Leakage Rate

The proposed level of air sealing will allow your home to meet industry standards for healthy indoor air quality via natural ventilation through your building enclosure. However, your home may benefit from mechanical ventilation to ensure healthy indoor air quality by controlling the source of your fresh air. To determine which ventilation strategy is best for your home, discuss the available options with your trusted energy advisor.

Your Home's Duct Leakage

Addressing duct system leaks, holes and poorly connected ducts prevents conditioned air from escaping into unconditioned space. By reducing this leakage, home owners should expect to use less energy and experience a more comfortable home.

Proper sealing of your home's duct distribution system can significantly improve airflow, offering many benefits, including energy cost savings, improved indoor air quality and better balanced temperatures from room to room.

Untested systems are marked as "estimated." These systems's leakage values are estimated based on the qualitative descriptions given by the rater.

Testing your home's combustion appliances is an important part of assessing not only your home's energy efficiency but also whether your home is healthy and safe to live in. Combustion appliances are those that burn fuels (i.e., gas, propane, and oil) for heating, cooking and other purposes. The operation of these appliances has a significant impact on your energy consumption but, more importantly, can also cause serious health and safety threats under certain conditions. We performed the combustion-related tests that were required on your home and found no failures.

Home Improvement Recommendations

As a result of the Home Performance Assessment, we recommend the following improvements for your home:

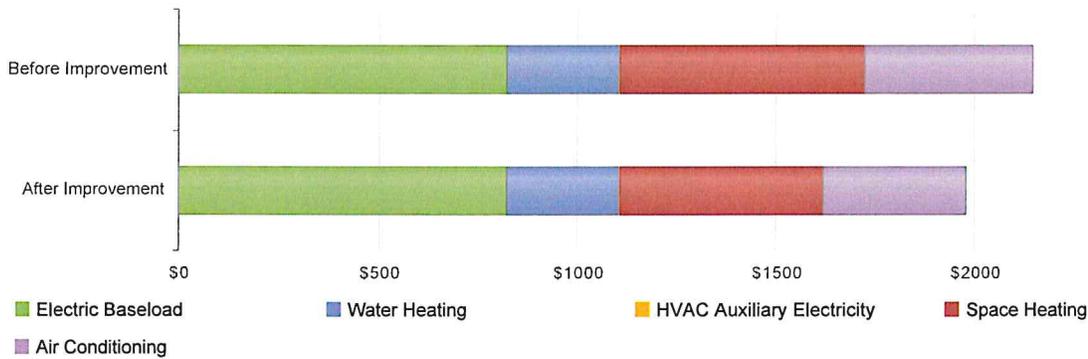

Measure Category	Existing Condition	Improved Condition	Estimated Annual Savings
Air Sealing			
Air Sealing Level	Air leakage rate of 6768 cubic feet per minute at 50 Pascals.	Reduce leakage from living space to 5076 CFM50	\$69.99
Seal/Insulate Attic Access Hatches - Attic Area 1		Seal/Insulate 1 Attic Access Hatch(es)	
Treat Major Attic Bypasses - Attic Area 1		Reduce Air Leakage Through Attic	
Insulation			
Attic Insulation - Attic Area 1	Current insulation level is 3" and condition is moderately insulated	Insulate 478.5 square feet w/ Cellulose (open blow): inches	\$23.82
Attic Insulation - Attic Area 2	Area is not currently insulated	Insulate 478.5 square feet w/ Cellulose (open blow): inches	\$77.64
Whole House Ventilation Measures			
Whole House Ventilation - Whole House Ventilation 1	Whole House Ventilation 1 has a ventilation rate of CFM	Install new mechanical ventilation	
Local Ventilation Measures			
Bathroom Ventilation - Bathroom #1	Ventilation not present or inoperable	Install 50 CFM intermittent fan	
Building Performance Measures			
Attic Ventilation (vents, baffles) - Attic Area 1		Install Passive Attic Ventilation	
General Notes			
Additional Notes: Part of ceiling may need to be replaced to hold the weight of new insulation. Flooring in attic needs to be removed to access and replace knob and tube wiring, air seal, and insulate. Replace section of boiler flue that has a hole in it. These things have to be done before weatherization can begin.			

The following table shows the projected energy savings from the proposed measures, broken into the same major categories of use in your home as shown in the analysis of current energy usage on Page 2. For each category, the table provides the projected annual dollar savings, a breakdown of the savings by fuel type and the percentage of energy saved relative to your existing usage.

End Use Category	Electricity kWh	Natural Gas Therms	Cost Savings	Percent Energy Savings
 Space Heating Savings	N/A	124	\$105	17.0%
 Air Conditioning Savings	662	N/A	\$66	15.6%
 HVAC Auxiliary Electricity Savings	5	N/A	\$1	15.6%
Total Project Savings	668	124	\$171	N/A
Total Percent Savings	4.4%	17.0%	8.0%	11.7%

Projected Reduction in Annual Utility Costs

If you install all of the measures recommended above, your projected annual energy cost savings would be \$171 and would potentially change as follows by end use category:

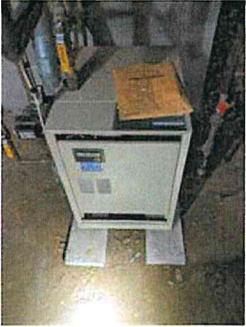

Financial Analysis

The projected energy savings from your home performance projects will help pay for the projects. The following financial analysis lets you to look at energy savings in financial terms.

Simple Payback, Annual After-Tax Rate of Return and SIR	
Energy Saving Measures	\$4,720.00
Total Package Price	\$4,896.00
BGE Rebate (subject to approval)	\$0.00
Other Incentives	\$0.00
Net Package Price	\$4,896.00
Annual Projected Savings	\$171.45
Simple Payback (years)	28.6
Annual Rate of Return	3.50%
Lifetime Savings-to-Investment Ratio	0.53

AFUE	Annual Fuel Utilization Efficiency. The rating standard for the energy efficiency of furnaces and boilers. The higher the AFUE, the more energy efficient the system is.
Annual Rate of Return	The rate of return on your investment after 1 year, expressed as a percentage of the total amount invested. This is a standard method for comparing the performance of investments.
BAS	Building Airflow Standard. The minimum amount of ventilation through a house. For air leakage amounts less than the BAS, mechanical ventilation must be installed in order to maintain proper indoor air quality. Approximately equivalent to one full changeout of air in a home in 3 hours.
CCF	Hundred Cubic Feet. Measurement unit for natural gas.
CFM25	The standard measurement for determining air leakage in duct systems. Specifically, it is the amount of air, measured in cubic feet per minute (CFM), escaping from the duct system when pressurized to 25 pascals.
CFM50	The standard measurement for determining air leakage in homes. Specifically, it is the amount of air, measured in cubic feet per minute (CFM), escaping from your home when depressurized to 50 pascals.
Combustion Appliances	Appliances that burn fossil fuels for heating, cooking and other purposes. They can include furnaces, water heaters, ranges, ovens, stoves, fireplaces and clothes dryers.
COP	Coefficient of Performance. Used to measure the efficiency of ground source heat pumps. The higher the COP, the more energy efficient the system is.
EER	Energy Efficiency Ratio. A secondary rating standard for the energy efficiency of air conditioners and primary rating standard for ground source heat pumps. The higher the EER, the more energy efficient the system is.
Electric Baseload	The portion of your electric bill that includes lighting, appliances, and electronics, yet excludes heating and air conditioning, which are considered seasonal use.
HSPF	Heating Seasonal Performance Factor. Used to measure the efficiency of air source heat pumps. The higher the HSPF, the more energy efficient the system is.
HVAC	Heating, Ventilation and Air Conditioning. The technologies and equipment that make up the systems that heat and cool your house.
HVAC Auxiliary Electricity	The portion of your electric bill due to the electric fan used to move heated and/or cooled air through your duct system.
kW	Kilowatt. Energy unit for measuring electric demand. Can be viewed as a snapshot of electricity usage at a single moment in time. 1 kW is equal to the amount of power consumed by ten 100-Watt lightbulbs running simultaneously.
kWh	Kilowatt-hour. Energy unit for measuring electricity consumption. 1 kWh is equal to the amount of energy consumed by ten 100-Watt light bulbs left running for 1 hour.
Lifetime Savings-to-Investment Ratio (SIR)	Financial performance metric that expresses the ratio of savings achieved over the lifetime of a package of energy-saving measures compared to the cost of the initial investment. If the SIR is 1 or greater, then the energy savings from the item will pay for itself before it needs to be replaced again.
R-Value	The resistance of a material to conducting heat. The higher the R-value, the better the insulation.
SEER	Seasonal Energy Efficiency Ratio. The rating standard for the energy efficiency of air conditioners. The higher the SEER, the more energy efficient the system is.
Simple Payback (Years)	The amount of time in years required to recoup the money you spent on an investment, such as on energy efficiency improvements. Simple payback is equal to the cost of the energy efficiency package divided by annual energy savings.
Therm	Measurement unit for natural gas. One therm is approximately equal to 100 cubic feet of natural gas.

Save Money...Save Energy...Live Comfortably

Subject: Application for Historic Rehabilitation Property Tax Credits TC #20-03

Overview

On February 21, 2020, Myers Building LLC, owner of 28 Liberty Street submitted a pre-construction Application for Historic Rehabilitation Property Tax Credits TC #20-03 (attached). 28 Liberty Street is located in the Westminster Historic National Register District. According to the Maryland Department of Assessments and Taxation online records, the primary structure was built in 1900 (attached).

Pursuant to Section 143-5. A., the City Code states: "Establishment of historic tax credit program for qualified expenses. In accordance with § 9-204 of the Tax-Property Article of the Annotated Code of Maryland, there is hereby established a City of Westminster real property tax credit in the amount of 10% of the qualified expenses for the restoration and preservation of an eligible historic property, and 5% of the qualified expenses for the construction of an architecturally compatible new structure on an eligible historic property."

Pursuant to Section 143-5 B. Eligible Work includes:

- (a) The repair or replacement of exterior features of an existing structure;
- (b) Work that is necessary to maintain the physical integrity of an existing structure with regard to safety, durability or weatherproofing; or
- (c) Maintenance of the exterior of an existing structure, including routine maintenance;
- (d) New construction of an architecturally compatible structure; or
- (e) Interior restorations necessary to restore or maintain the historic integrity and efficient or safe functioning of an eligible property, excluding elective and/or cosmetic renovations.

The proposed project consists of properly clean, prepare, scrape, paint and caulk all exterior surfaces. Removing and reinstalling the awnings required for the work, replacing any rotten original storefront prior to painting and replacing bad white metal fascia with new black matching fascia. The total estimated cost of the proposed project is \$74,901.00. However, the applicant received a \$20,000.00 Façade Improvement Grant that was approved by the Historic District Commission at the January 2020 meeting, leaving the remaining balance of the project \$54,901.00. 10% of the remaining balance is \$5,490.10.

RECOMMENDATION

Staff recommends the Commission consider approval of the proposed painting, consistent with Section 143-5.B.(a),(b), and (c), with an estimated cost of \$74,901.00 and an estimated tax credit of \$5,490.10, conditioned on whether the Commission finds that the proposed work to be historically compatible.

Building Photos Showing Existing Conditions

General Information

Name of Applicant: Myers Building, LLC

Name of Business: Myers Building, LLC

Project/Business Address: 28 Liberty Street, Westminster, MD, 21157

Phone Number: 301.663.8383 x216 _____ **Fax Number:** 800.663.0070

E-mail address: wzahler@sunshinemanagement.net

Type of Business: Retail/Apartments/Live Work

Applicant is the:

- Property Owner
- Business Owner
- Other: _____

How long has the business been at the current location? 33 years

When does your current lease expire? N/A

Do you have the option to renew your lease and do you intend to do so? What are the terms?

N/A

Property owner's name (if different from applicant): Same

Property owner's address: 178 Thomas Johnson Drive, Suite 201, Frederick, MD 21702

Property owner's phone number/email: Same as applicant

Note: If you are not the property owner, the property owner or an authorized representative must co-sign this application where indicated in the "General Conditions" section of this application.

Project Details

Please describe below, or via a supplemental attachment, the proposed improvements to the property. The following required information must accompany this application:

- Minimum of two color photographs that show existing building conditions
- Detailed sketches or drawings of the proposed improvements (including placement, color, dimensions and materials)
- Minimum of two bids on contractor letterhead detailing the proposed work

Description of proposed improvements (e.g., new doors/windows, signs, lighting, paint, etc.):

Properly clean, prepare, scrape and paint and caulk all exterior surfaces. Remove and Reinstall Awnings as required for work. Replace any rotten original wood storefront prior to painting. Replace bad white metal facia with new black matching facia.

Proposed Project Budget: \$74,901.00

Describe how this project will enhance the downtown, including how it will:

- Improve your business or increase your chances for success
- Facilitate the retention or expansion of an existing business downtown
- Facilitate the establishment of a new business to downtown
- Improve public safety or access
- Enhance downtown Westminster (beautification, foot traffic, etc.)

We have lost our retail tenant Lux this past summer and some residential tenants. We believe this will help us attract a new street level retail tenant and bring life back to the Liberty/Green Street corner. We would love to see some new businesses come to our location to the downtown area. Additionally, we will be able to retain the new tenant once we hopefully sign a new lease. We also believe that some of the downtown residents in the building currently will want to stay downtown with the new and improved façade! This will allow us to continue to reinvest in the renovations of the structure and to continue to provide work force housing to the downtown area.

How much funding assistance are you requesting?* \$37,450.00

20,000 - maximum amount

* Please Note: This is a 50/50 matching grant program

Proposed start date: Within 30 days of approval by the City of Westminster, depending on weather.

Estimated completion date: Approximately 90 days from mobilization, depending on weather.

(Note: Any project submitted for funding should commence within two (2) months of the award and be completed within six (6) months of commencement.)

In conjunction with this project, are you completing any other renovation/rehabilitation work to the property (interior or exterior)?

- No
 Yes

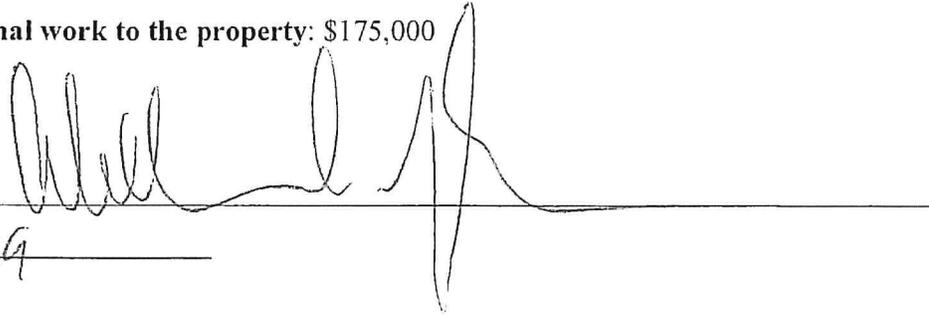

If answer is "yes" to above question, describe additional work:

Last year we completed the replacement of the awnings on the building despite being denied matching funds by the City of Westminster. We also invested well over \$130,000 in a new roof and gutters. We have approved interior conversion of the common area lighting to energy efficient LED lighting which is scheduled for September/October of 2019. HVAC upgrades have been ongoing each year in order to convert to more

environmentally friendly refrigerant and systems that use less energy. Base on how this application is received we are also interested in replacing the exterior windows with new Low E/Argon filled windows to help the tenants with their monthly utility costs.

Estimated cost of additional work to the property: \$175,000

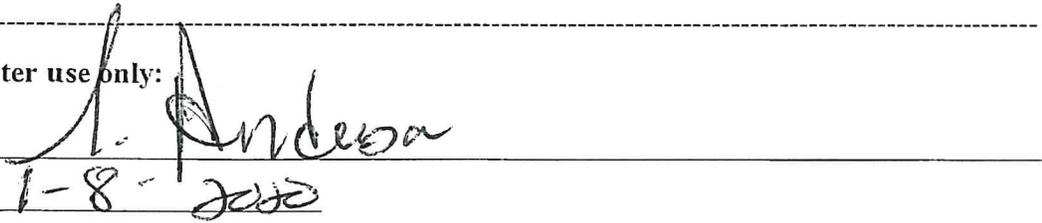

Signature of Applicant:

Date: 9/1-1/19

City of Westminster use only:

Approval:

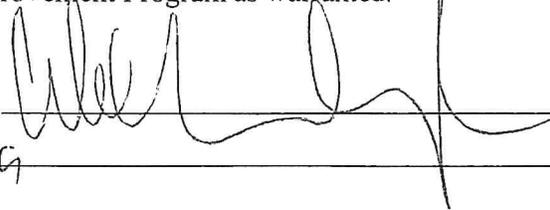

Date:

1-8-2020

General Conditions

- It is expressly understood and agreed that grant proceeds are a matching grant at 50% by applicant and 50% from the Maryland Department of Housing and Community Development.
- It is expressly understood and agreed that the applicant shall be solely responsible for all safety conditions and compliance with all safety regulations, building codes, ordinances, and other applicable regulations.
- It is expressly understood and agreed that work completed prior to final approval is ineligible for funding.
- It is expressly understood and agreed that the applicant will not seek to hold the City of Westminster, and/or its agents, employees, officers and/or directors liable for any property damage, personal injury, or other loss relating in any way to the Façade Improvement Program.
- The applicant shall be responsible for maintaining valid and sufficient insurance coverage for property damage and personal injury liability relating to the Façade Improvement Program.
- The applicant agrees to maintain the property and improvements, including, but not limited to, promptly removing graffiti and trash, and sweeping and shoveling in front of the property.
- The applicant authorizes the City of Westminster to promote an approved project, including but not limited to displaying a sign at the site, during and after construction, and using photographs and descriptions of the project in promotional materials and press releases.
- The applicant has read and understands the "City of Westminster Façade Improvement Program Overview" document outlining program guidelines and procedures.
- The applicant understands that the City of Westminster reserves the right to make changes in conditions of the Façade Improvement Program as warranted.

Signature of applicant:

Date:

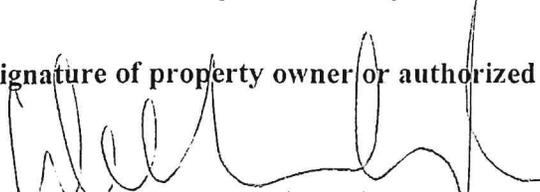

01/17/19

If applicant is not the property owner, the property owner or an authorized representative must review and co-sign this application below.

Owner Authorization

As owner of the property (insert address) 28 Liberty Street, Westminster, MD, 21157 I have reviewed the above application and authorize operator of Myers Building, LLC at said address to perform the improvements described above as part of the City of Westminster Façade Improvement Program.

Contact Phone 301.663.8383	Contact Email	Comments/Notes/Other		Proposal Date 09.01.19	Page X of Y
Architect N/A	Date of Plans N/A	Engineer N/A	Construction to Begin (Estimated) TBD	Estimated Completion Date Approximately 90 days	

We hereby propose to facilitate/furnish the following Work:

Properly prepare and clean entire exterior of all buildings. Remove and reinstall awnings, store in safe location on site if possible. Replace rotten wood and repair bad mortar joints as needed. Apply primer and two coats of paint to entire exterior of all buildings. Painting of metal is excluded. Remove old caulking and replace as needed. Install new black metal fascia below black coping on building.

PROPOSED PAYMENT: Owner agrees to pay Contractor a PROPOSED total cash price of \$74,901. Owner represents that this agreement is a CASH transaction wherein no financing is contemplated and Contractor acts in reliance on said representation. The payment schedule will be: (1) Non-refundable Down Payment of \$24,901; and (2) Draws according to the schedule of values:

TBD

THIS IS A BID PROPOSAL WITH A GENERAL DESCRIPTION OF THE PROJECT AND COST. IF THE BID PROPOSAL IS ACCEPTED, A MORE FORMALIZED CONTRACT WILL BE PREPARED PROVIDING DETAILED TERMS AND CONDITIONS INCLUDING ALL YOUR RIGHTS AND YOUR RIGHT TO CANCEL.

Note: This proposal may be withdrawn by us if not signed by all parties within _____ days.

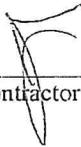

ACCEPTANCE OF BID PROPOSAL

Owner hereby accepts the above price, terms and conditions and authorizes Contractor to return a formal Contract for the Work.

BID PROPOSAL

Date: September 10, 2019

Property: Myers Building, LLC

Description: Façade Improvements

- Clean exterior of all buildings
- Prep all buildings for paint
- Remove awnings
- Store awnings on-site if space is available
- Replace any rotten wood
- Fill in mortar joints where it's missing
- Apply exterior primer to all surfaces
- Apply two coats of paint to all surfaces
- Remove old caulk where needed
- Install new caulk
- Install new metal fascia below coping
- Reinstall awnings
- Clean up area

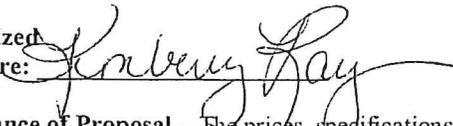

Painting of metal is excluded from this proposal.

TOTAL **\$80,605.00**

This estimate is for completing the job as described above. It is based on our evaluation of the above referenced property and does not include any material price increases or additional labor and materials which may be required should unforeseen problems or adverse weather conditions arise after the work has started. Pricing is exclusive of any permit that may be required. Work to be done during normal business hours. Estimated completion is 90 days.

Payment – A down payment of 30% is required at the time of proposal acceptance. Remaining balance will be due in full within 30 days of completion.

Authorized
Signature:

Note: This proposal may be withdrawn by us
if not accepted with 30 days.

Acceptance of Proposal – The prices, specifications and conditions of this contract are satisfactory and are hereby accepted, including the terms and conditions printed on the back of this proposal. You are authorized to do the work as specified. Payment will be made as outlined above.
