Crime Prevention Tips Thefts from Vehicles

The Westminster community has experienced a marked increase in the number of theft from vehicle cases over the past year. In the majority of the cases, the victim's vehicle was not locked and items of value were in plain view in the vehicle.

The Westminster Police Department offers these following suggestions to minimize the chance that YOU or a member of your family will be a victim:

- Always lock your vehicle when it is unoccupied.
- Don't leave articles of value inside the vehicle. Lock them in the trunk or take them with you.
- Park your vehicle in well lit areas after dark.
- Never leave your vehicle running while unattended.
- Know your tag number, make, model and year of your vehicle.
- **CALL THE POLICE IMMEDIATELY IF YOU SEE SOMETHING SUSPICIOUS!**
