Public Infrastructure Report to the City of Westminster

This form must be completed, signed, and returned before the developer may enter into a Public Works Agreement with the City. Surety will not be released until the completed form is accepted by the City.

Only list those items that will become property of the City of Westminster.

'Cost' and 'Total Cost' should include labor, materials, and land acquisition where necessary. Cost estimates must be obtained from contractor estimates. Engineer estimates are not acceptable.
